University of Toronto,

3 April, 1918.

Mr. Frederick L. Plant,

Secretary, Ontario Chapter,

American Guild of Organists,

73 Macpherson Avenue, Toronto.

Dear Sir:

Mr. Moure has referred to me your letter of the 2nd instant with regard to the use of Convocation Hall for an organ recital by Mons. Bonnet on May 14th.

The annual Convocation for conferring degrees will be held this year on May 17th, and as our arrangements for the functions of that week are not yet completed it is uncertain at present whether the Hall may not be required for University purposes on the date you mention. I fear, however, that it would not be possible to accede to your request in any case, in view of the fact that we have recently declined to grant a very similar application from another source.

Yours truly,

President.
